Omschrijving

The Post Krisi 65 made by Catellani & Smith is a pendant lamp with a shade composed of two hemispheres. Its shade has a diameter of 40 cm. The shade made of fiberglass is on offer in natural or handpainted in white. This lamp is height-determinable because the 170 cm cable can be shortened if necessary. The lamp shade consists of two hemispheres which can also be moved along the lamp rod. The canopy has the dimensions 9 x 3.5 cm.

The lamp is supplied as standard with a brass rod through the shade and a black canopy. On request, this lamp is also available with nickel-plated light rod and canopy. If you would like to order this version, please indicate your special order request in the additional field notes in your order.
