### Omschrijving

The Catellani & Smith UAU F is a floor lamp with a height-adjustable lamp arm, which can be moved on a rod. A glass lens bundles the light of the LED light source.

Catellani & Smith has integrated this lamp in the series Eco-Logic-Light and thus they designed it particularly environmentally friendly as well as sustainable. For the floor lamp an LED with 2,700 Kelvin extra warm white and 100 lumen is included. This LED reaches 1 watts of power and can be exchanged if necessary.
