Omschrijving

The Decor Walther Conect 32 N LED ceiling light has IP44 protection and is therefore also suitable for bathrooms. It is protected against splashing water on all sides and against solid foreign bodies with a diameter of 1 mm or more. This lamp has a diameter of 32 cm and is available in matt black, matt white, chrome and satin nickel surfaces. The diffuser made of white matt glass reduces glare and allows an even distribution downwards. An LED is included as a light source. The Conect 32 N LED can be dimmed on site with a trailing edge phase dimmer.
