## Omschrijving

The Decor Walther Box 150 N LED is a rectangular wall lamp with a length of 150 cm. It is made of metal and available in white matt, black matt, chrome and satin nickel finishes. The light is emitted from the lamp at the same time downwards and upwards. The light is glare-free and evenly distributed through a diffuser made of white matt acrylic glass. The integrated LED can be dimmed on site with a trailing edge phase dimmer. It is offered in two versions: with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. Thanks to the IP44 protection class, the Box 150 N LED can also be used as a bathroom light. This wall lamp is also available as a R7s or G9 halogen version.
