## Omschrijving

The Decor Walther Box 1-15 N LED is a clip-on light for mirrors with a maximum thickness of 6 mm. The lamp has a length of 15 cm, a height of 5 cm and a depth of 10 cm. It is available in white matt, black matt, chrome, satin nickel, gold (glossy), gold matt and rose gold. The light is emitted both downwards and upwards. A diffuser made of white matt acrylic glass prevents glare and diffuses the light evenly. An LED is integrated as a light source, which can be dimmed on site with a trailing edge phase dimmer. The LED is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. In addition to this LED version, there is also on offer a R7s halogen version of the clip-on light for mirror. The Box 1-15 N LED with IP44 protection is also well suited as a bathroom light.
