Omschrijving

The Decor Walther Flat 1 LED is a mirror plug-in lamp with a rectangular shape. It is 2.5 cm high, 5 cm wide and 17 cm deep. The lamp is suitable for mirrors with a maximum thickness of 6 mm. It is available in chrome and nickel satin finishes. The light is emitted directly and glare-free from the clip-on lamp for mirrors downwards. The lamp is protected by IP44 against splashing water on all sides and against solid foreign bodies with a diameter of 1 mm, so that it can also be used in the bathroom. The light source is an integrated LED with a colour temperature of 3,000 Kelvin warm white.
