Omschrijving

The Vistosi Dafne wall lamp has a lamp shade made of mouth-blown, multilayer crystal glass in white. The light is emitted from this lamp through the shade into the room. In addition, the shade has openings at the top and bottom through which light radiates to the wall, creating a light effect on the wall. The Dafne is available in glossy or matt surfaces. The wall lamp is 24 cm high and 22 cm wide at its widest point. Its depth is 11 cm. This lamp can be operated with E27 both, halogen lamps or LED retrofit lamps.
