Omschrijving

The Holtkötter Vita 3 ceiling lamp has a shade diameter of 50 cm. The shade height is 18 cm. The lamp shade is available in the colours white, light grey, champagne, slate, sand, wave optics white, silver leaf and gold leaf. All versions have an integrated white chintz base. This creates a homogeneously illuminated surface and conceals the sockets with illuminants. The light is emitted directly downwards by the lamp and, depending on the shade colour, also through the shade to the side. The Vita 3 is also available with a shade diameter of 40 cm or 60 cm. This ceiling lamp can be operated with both halogen lamps and LED retrofits.
