Omschrijving

This Brokis Knot Small Cilindro pendant lamp has a smoke brown, mouth-blown glass. A metal reflector is integrated at the top of the glass. The reflector is hand finished and is available in black matt, brass, brushed stainless steel and copper. The canopy is always supplied in the same colour as the reflector. The special feature of the Knot lights is the cable running through the lights, which is tied in a knot at the bottom. The Knot Small Cilindro has a height of 28 cm and a diameter of 18 cm. An LED is integrated as the light source. On request, the pendant lamp is available as a not dimmable version. In addition, the lamp is available with a transparent, smoke grey or opal glass. The larger Knot Cilindro with a height of 46 cm and a diameter of 30 cm is also included in the series.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
