Omschrijving

The Brokis Knot Uovo opal pendant lamp has an integrated reflector at the top of the glass. This reflector is made of metal and finished by hand. It is available in black matt, brass, brushed stainless steel and copper. The canopy of the lamp is always delivered in the colour matching the reflector. This Knot Uovo has an opal, mouth blown glass. The special feature of the Knot lights is the cable running through the lights, which is tied in a knot at the bottom. An LED with a colour temperature of 2,700 Kelvin extra warm white is included as a light source. On request, the pendant lamp is available as a not dimmable version. In addition, the Knot Uovo is offered with a transparent, smoke grey or smoke brown glass.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
