

Knapstein

LINN-95

Version

- Hout
- nikkel mat

Technical details

Land van fabricage	 Duitsland
fabrikant	Knapstein
ontwerper	Knapstein
bescherming	IP20
Omvang van de levering	LED
voltage geschiktheid	230 - 240 Volt
materiaal	metaal
hoogteverstelling	hoogte verstelbaar
dimmen	gebarencontrole
Wattage	29 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	3.190
Kleurtemperatuur in Kelvin	2.700 extra warm wit
totale hoogte	106 - 188 cm
Dimensions	H 3,5 cm B 1,6 cm L 95 cm

Omschrijving

The Knapstein LINN-95 pendant lamp has a length of 95 cm. Its total height can be adjusted between 106 cm and 188 cm with stoppers on the ropes. When switched on, the lamp must not be adjusted. For height adjustment, the shells are pressed in at the bottom of a stopper, then the rope can be pushed or pulled to the desired height.

The light is emitted by the LINN-95 both upwards and downwards. The uplight and the downlight can be switched and dimmed separately by gesture control. The sensor area for gesture control is located centrally at the bottom and top of the lamp. The light is switched on or off by a wiping hand movement in the sensor area. The lamp can be dimmed continuously by holding the hand in the sensor area for a longer period of time. The last light intensity setting is saved by the memory function and automatically selected the next time the light is switched on.

This pendant lamp is available in matt nickel. In addition to this LINN, the series also includes pendant lamps with a length of 68 cm, 128 cm or 161 cm and with height adjustment by lifting or pulling the lamp itself (LINN-L).
