

Bover

Hardy-white

Technical details

Land van herkomst	 Spanje
Fabrikant	Bover
Ontwerper	Oscar & Sergi Devesa
jaar	2013
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	Leuchtmiddel/ Bulb
voltage geschiktheid	110 - 240 Volt
materiaal	borosilicaatglas, ijzeren, messing
oppervlak	wit
kabel kleur	transparant
Hoogte-instelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
Voet / fitting	GU10
Wattage	8 W
luifel Dimensions	7 cm
Versie	-
Schaduw diameter	7 cm
schermhoogte	31 cm
bulb vervangen:	ter plaatse zelf
totale hoogte	200 cm

Omschrijving

The lampshade of the Hardy pendant lamp by the Spanish manufacturer Bover has two concentric cylinders, an outer and an inner one. The inner cylinder contains the LED light source and is made of metal. The outer cylinder of Bover Hardy is made of transparent borosilicate glass. This pendant lamp emits its light directly downwards. The metal cylinders of this lamp are available with a painted surface in gold or white or with a chrome alloy. The canopy with a diameter of 7 cm is in the same surface as the inner cylinder. The Bover Hardy pendant lamp has a transparent cable which can be shortened if necessary. Suspended in combination to several lights, the Bover Hardy pendant light can create a practical lighting in the living-dining area or in the gastronomy.
