Omschrijving

The Lupia Licht Bloc S is made of aluminium and is available in white and black. The light head of this LED ceiling light can be turned to the side and then swivelled. This ceiling light can be swivelled 350 degrees and directs the light to the place where it is needed. The ceiling lamp Bloc S has a diameter of 7.5 cm and a height of 11 cm. An on site dimmable LED with a power of 8 watt is integrated as a light source. This lamp is available with a colour temperature of 2,700 extra warm white or 3,000 Kelvin warm white. The Bloc S comes from Lupia Licht from Germany.
