Omschrijving

With the Serien Lighting canopy profile 3, three pendant lamps can be connected together and mounted on a single power supply. This makes it possible to install two single pendant lamps together. Only a single power connection is required. The canopy profile 3 is available in brushed aluminum, polished aluminum, black or white painted finishes. This accessory has a length of 148 cm and a width of 8 cm. The height is 1.5 cm.

The accessories are suitable for the following Serien Lighting lamps: Cavity Suspension L, Curling Suspension Rope / Tube S, M and L, Draft Suspension Rope / Tube S and M, Drum Suspension Rope / Tube S and M as well as Reef Suspension 1. In addition to these accessories, the canopy profile 2 is also offered, with which two pendant lamps can be connected together and mounted on a single power supply.
