Omschrijving

The Less'n'more Aichinger Athene Book Shelf AI-A consists of a straight book shelf with an integrated Athene lamp. The shelf is made of oak wood and has a width of 45 cm. It is 5 cm high and 15 cm deep. Included in the delivery is an extendable bookmark made of satin-finished stainless steel. The integrated Athene lamp has a flexible lamp arm that can be bent and stretched as desired. At maximum extension of the arm, the bookcase and lamp together have a height of 59 cm. The lamp arm is available in the following colours: aluminum, textile black, white, anthracite, blue, green, red and brown. The flexible lamp arm is offered in other colours on request.

Lamp head and rod are made of aluminum. They are available in the surfaces aluminum and black. A push button is located on the lamp rod with which the light can be switched and dimmed. The beam angle of the light can be adjusted continuously between 25 and 100 degrees by turning the glass lens out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Aichinger Athene Book Shelf AI-A can be connected via a black supply cable with a length of 200 cm. In addition to the conventional power supply, the recessed lamp can also be operated via a USB connection. Less'n'more also offers the Aichinger bookcase with an integrated Zeus or Mimix lamp.
