Omschrijving

The Arturo Alvarez Inn IN04 is a pendant lamp with a conical shape. Its lamp shade has a diameter of 38 cm at its widest point and a height of 32 cm. It consists of lacquered, particularly resistant stainless steel mesh. The pendant lamp is available in white and grey. On request, it is also available in taupe and beige. The Inn IN04 is supplied with a black cable. This pendant lamp has a maximum total height of 150 cm, its cable can be shortened if necessary. It can be operated with an E27 LED retrofit.

The Inn IN04 has a conical shape in which past, present and future come together. The Inn is a new design in which the stainless steel mesh developed by Arturo Alvarez still plays the main role and in which geometric shapes are reinterpreted with an organic touch.
