Omschrijving

The Bover Mediterrania PF/105 is a ceiling lamp with a slightly curved lamp shade made of textile wrap-around pleated fabric and polyester. The pleated fabric of the lamp shade is penetrated by the light of the integrated LED and thus creates a pleasant illumination. The light is emitted glare-free through a diffuser made of polycarbonate. The lamp shade has a diameter of 105 cm. In total, the lamp is 26 cm high.

The Mediterrania PF/105 is available in the shade colours white and cream. This lamp is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The LED can be dimmed on site with a trailing edge phase dimmer. Lamps that are DALI or 1-10 volt dimmable are also available on request.

The Mediterrania lamp by Bover is an ode to the Mediterranean light, the breeze and the scent of the Mediterranean sea. It is a lamp that quietly blends into the room. Therefore, when it is switched on, it gives a feeling of natural, soft and friendly light.
