Opis

The K-meral ARON Wall Lamp comprises a lampshade out of porcelain and a socket coming with an integrated dimmable transformer out of brushed stainless steel. It is especially the colourplay of yellow and orange that will remind you of the blossom of a Chinese lantern plant when the ARON Wall Lamp is switched on. The K-meral ARON Wall Lamp radiates a direct neutral light onto the ceiling as well as the wall. Moreover it scatters a warm diffuse lighting into its surrounding.
