Opis

The Lumina Daphinette LED is a table lamp making up a perfect combination of sophisticated elegance, advanced LED technology and practical functionality. The diffuser is rotatable at up to 360° and its lamp arm is adjustable in height. There is a converter integrated into the lamp stand to which an on/off switch is attached.

The Lumina Daphinette is offered in matt yellow, red, white, black soft-touch, metallic bronze as well as nickel plated. These different colours are a real eye-catcher. A LED with 2.700 Kelvin is integrated. On request you can order this lamp also with a colour temperature of 3.000 Kelvin. If you like to order this article, please specify the colour temperature under the item Order Review in the field Order Comment.
