### Opis

The Anthologie Quartett Coffee Light is a wall lamp which consists of two almost archaic forms of: the classic Limoges cup which is mounted on a wooden base; this is necessary for the transformer base and can optionally lacquered in wall color, can be wallpapered or - to underline the importance of the design - stay in white as it is. The Coffee Light wall lamp may not only be used in the kitchen.

The dimensions of the wall light Coffee Light are 16 x 16 x 15 cm. The designer Bernhard Stellmacher created it in 1991.
