Opis

The Ingo Maurer Zettelz 6 is 80 cm in diameter so it is the smaller of two pendant lights in this collection. This lamp can be designed individually. 40 printed and 40 blank sheets (all DIN A6) are simply clamped to stainless steel rods and can be exchanged as well as designed as desired. The Japanese paper of the sheets creates a pleasant room light. The 40 unprinted sheets can be provided with messages, poems or drawings. Whether with pencil, pen, felt or ballpoint pen, the sheets can be labeled and designed as desired. The lamp body of the pendant lamp is made of high-quality stainless steel and the diffuser made of heat-resistant glass. This lamp is offered in two cable lengths: 200 cm and 400 cm. Sets with printed or blank sheets can be reordered.
