Luceplan

**tworzywo**

metakrylan

**Średnica w cm**

140

**Moc w watach**

5,4 W

**Dimensions**

Ø 140 cm

### Opis

The Luceplan Blow spare rotors are a spare part for the ceiling light Blow. The rotors are available in the following surfaces: transparent, transparent screenprinted, orange and colour mix (blue, green, orange). It contained three rotors in one set. They serve as a spare part for the Blow lamps or as a replacement element to give an existing lamp a new colour accent.
