Opis

The Decor Walther Slim 80 N LED wall lamp emits light simultaneously upwards and downwards. It has a diffuser made of satin-finished acrylic glass that diffuses the light evenly and reduces glare. The lamp is offered with a chrome, black matt and white matt finish. The Slim 80 N LED is also suitable as a bathroom lamp with protection class IP44. It is thus protected against splashing water on all sides and against solid foreign bodies with a diameter of one millimetre or more. An LED with a colour temperature of 3,000 Kelvin warm white is integrated as the light source.
