Opis

The Less'n'more Zeus Surface / Recessed Light Z-AL1 can be mounted in a table. A mounting plate with a diameter of 6 cm serves as a lamp base for the recessed lamp. This lamp is also suitable as a ceiling or wall lamp. The external transformer supplied can only be mounted from behind outside the mounting plate. The Zeus Surface / Recessed Lamp has a flexible lamp arm that can be stretched and bent as required. With a maximum extension of the lamp arm, the lamp has a height or length of 22 cm. The flexible lamp arm is offered in these colours: aluminum, textile black, white, anthracite, blue, green, red and brown.

Lamp head and mounting plate are available in the surfaces aluminum and black. The beam angle of the light can be adjusted continuously between 15 and 75 degrees, the glass lens is turned out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Zeus Surface / Recessed Light Z-AL1 is operated with an integrated LED with a colour temperature of 2,700 Kelvin extra warm white. The table lamp is available on site dimmable with a trailing edge phase dimmer or with an integrated push button dimmer on the mounting plate. The version with push button dimmer can be switched and dimmed via the push button. The flexible lamp arm is also deliverable in other colours on request. In addition to this recessed lamp, Less'n'more also offers a larger lamp with a maximum height of 53 cm.
