Opis

The Loom Design Loke outdoor wall lamp emits glare-free light in all directions. It consists of a rectangular housing made of die-cast aluminum and a transparent borosilicate glass. In the glass an E27 socket is included for which an LED filament bulb with a maximum power of 20 watts can be used. The Loke wall lamp is 26 cm high and 13 cm wide. It has a depth of 12 cm. Thanks to the IP65 protection rating, the Loom Design lamp is well suited as an outdoor lamp, as it is dustproof and protected against water jets from any angle.
