Santo Tablo

Version

- aluminium
- brąz
- czarny
- biały

Technical details

Kraj produkcji	 Niemcy
producent	LDM
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	aluminium, chrom
kąt nachylenia belki	124 stopni
ściemnianie	Czujnik ściemniacza głowica lampy na głowie
Moc w watach	14,5 W
LED	łącznie
Wskaźnik oddawania barw	>95
Strumień świetlny w lm	600
Temperatura barwowa w stopniach Kelvina	2.850 biała ciepła
świeczniku Wymiary	21 cm
Głowica lampy Wymiary	długość 55 cm
wymiana żarówek:	u producenta / w fabryce
Dimensions	H 58 cm

Opis

The LDM Santo Tablo is a table lamp with an adjustable lamp head and a height of total 58 cm. The lamp head has a length of 55 cm and can be swivelled by 180 degrees at the joint and rotated by 350 degrees. This allows the light to be directed exactly where it is needed. For adjustment, there is a practical handle on the lamp head. In addition, the height of the lamp head can be individually adjusted along the lamp rod.

The Santo Tablo is available in polished aluminum and powder-coated in bronze, white matt and black matt. The lamp head is delivered in the chosen finish. The lamp rod is always in polished chrome and the base in polished aluminum. A special design element is the external spiral cable which allows to flexibly adapt to any desired height.

The Santo table lamp has an integrated LED with a colour temperature of 2,850 Kelvin warm white. A sensor dimmer is located on the top of the lamp head, with which the lamp can be switched and dimmed without touching it. The light is switched on or off with a wiping hand movement over the sensor. To dim the light, the longer hand is held directly over the sensor.
