## **Opis**

The Betec Clarus has a rotatable lamp head, making it ideal for picture, menu and music stand lighting. The lamp offered here has a length of 46 cm and a projection of 17 cm (bracket type 17). The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting.

The Betec Clarus picture light is available in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. A mounting set is included in the scope of delivery, with which the lamp can easily be attached directly to a picture or to the wall. As standard, the picture light is available with a colour temperature of 2,700 Kelvin extra warm white. On request, it is also offered with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED features very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. From the series, lamps are also offered in ten other lengths and with a projection of 11 cm or 22 cm.
