Opis

The B.Lux Veroca 1 is a ceiling lamp with fireproof textile diffuser, lamp body and four tension springs with their corresponding holder. The textile diffuser is machine-washable and iron-resistant without losing its properties. The combination of several textile diffusers opens up a wide range of design possibilities. The lamp is available in white or natural white surfaces. The textile diffuser is 170 cm long as well as wide. The lamp is a total of 173.5 cm long as well as wide, including the bracket with the tension springs. Its height is 30 cm.
